

**CHEM WARE – HIGH PERFORMANCE WARE
WASHING MACHINE DETERGENT**

TECHNICAL SHEET

DESCRIPTION

Chem Ware is a highly concentrated, non-abrasive, highly alkaline liquid detergent formulated for use in an automatic dispensing system. It breaks down the tough, stubborn food soils, grease and oils that ordinary detergents miss. Water conditioning ingredients help reduce spotting, streaking and drying time. Chem Ware is safe to use on institutional china, glassware, plastic, stainless steel and silver flatware. It is not recommended for use on soft metals such as aluminium.

PRODUCT FEATURES/BENEFITS

- Removes tough food soils, grease and oils
- Reduces drying time of dishes
- Spot-free and streak-free results
- For use in automatic liquid dispensing systems
- Safe to use on institutional china, glass, plastic, stainless steel and silver flatware

DIRECTIONS FOR USE

Do not use on aluminium, copper, zinc, lead, brass and bronze materials.

The rate of dispensing is set in the dispensing system by a Chem Clean specialist. No adjustments to the dispensing rate should be made except by a Chem Clean specialist.

Ensure that the final rinse is functioning.

Not for use in domestic machines.

PRODUCT SPECIFICATIONS

- Appearance.....Clear, free flowing liquid
- Colour.....Light green
- OdorOdorless
- Specific Gravity at 25°C.....1.240 ± 0.01
- pH (1% solution).....12.5 ± 0.8
- Active Ingredients.....Sodium hydroxide (Total concentration <10%) and Potassium Hydroxide (Total Concentration <15%)
- Shelf Life.....1 year

SAFETY INFORMATION:

CAUTION: Keep Out of Reach of Children. **CORROSIVE.** It may cause severe burns. Harmful if swallowed. Please handle with special care as it contains both Potassium Hydroxide and Sodium Hydroxide. Protect eyes and mucous membranes from contact with this product and solutions of it. Flush eyes with generous quantities of water if product has contact.

PRECAUTIONARY STATEMENTS: See SDS for complete Precautionary Statements, First Aid, Physical or Chemical Hazards and Storage and Disposal.
